

## Information on the First round of the European Motocross Championship EMX'65, 85cc and EMX Open 26-27.04.2014 in “Orlyonok”

**Date: 26-27 April 2014**

**The event includes 65, 85cc and Open class Championships.**

**Venue: “Orlyonok”, Krasnodar Krai, Russia**

“Orlyonok” is a federal children's Centre, the largest one in the world. It is situated on the South of Russia on the Black Sea coast, 200 kilometres away from Sochi, the future capital-city of the Winter Olympic Games 2014. The sea border with Turkey is only 12 marine miles away from the camp. More than three kilometres of golden beach make “Orlyonok” unique and attractive. “Orlyonok” occupies 240 hectares and has its own TV and radio station, a modern sport complex and a

medical centre, a motor pool, a secondary school, a library, a space museum and an astronomical observatory, clubs providing with various activities, rock-climbing grounds, a complex for motorcycle training and racing. Only 7 percents of the “Orlyonok” territory is occupied by buildings, the rest space is a unique arboretum. Thanks to the mild subtropical climate rare exotic plants grow here. More details and photos of “Orlyonok” you may find at the web-site: <http://www.orlyonok.ru>

The organizer provides all riders with the main motocross track for free for training all year round except 08-11 and 21-25, April 2014 due to the preparation for the Krasnodar Krai Motocross Championship and the European Motocross Championship.

The motocross track of “Orlyonok” was opened in 2009. The track is built in a classical style, its length is 1 850 meters, its width at the most narrow part is 8 meters. It offers elevation changes of 40 meters. The mild climate of the region and ground coating of the track make it possible to use it all year round. See photos here: <http://www.mfkk-ug.ru>
